Docket No. 98N-1265 6245 99 MAY 24 AM 1:46
Food and Drug Administration

Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I have used compounded medication
for almost 2 yrs. and would not be able
to function on a daily basis without them.
I was having severe anxiety & sleeplessness
which ended up being caused by premenopausal
symptoms. I am now back to my "normal"
self and would hate to think of
my life without my prescription.

Please fold, seal, and mail by June 1
